

IM200/32 HAFTE IM200/32 JDB Cost reduction

Dear Colleagues,

These tools are assembled in Valence since June (1st serial number = T09160001). Valence & Venlo Platforms are now cleared out with the tools assembled by the former supplier.

Tools and codes remaining unchanged, the Transfer Prices have been decreased by -17%. New PSP are, since 2nd of July :

Version	Code	Valence PSP	Venlo PSP
Continental	115160	550,00 €	564,10 €
UK	014380	572,80 €	NA

Spare-parts codes remain also unchanged, but Transfer Prices have also been decreased for the 3 magazine spare-parts (rep 61, 62 and II). Please, contact your spare-parts Platform to get the updated prices.

Specific cordless system for a Niche Market

Dedicated to metal roofing applications such as fixing brackets and flashing, the tool fires 2,8 x 25mm and 2,8 x 32mm stainless steel and HDG nails.

Whishing you good sales,
Best regards
